

!!! New !!!

Emergency Contacts Binder
And Important Member Information
Now Available at TRCM Field.

As part of TRCM's continued interest in promoting safe flying, we have put together an Emergency Contacts Binder for the field.

What is it? The Binder is **bright red** and has the word "EMERGENCY" on the spine of the binder. The cover of the Binder shows Sacramento County's **direct dispatch phone number** for emergency services such as Fire, Sheriff, and Ambulance. You may also **call 911** in case of any emergency.

You will also find the TRCM Flying Field's Latitude/Longitude coordinates, in the event that an emergency requires an airlift.

Where is it? It is stored in the cabinet at the field.

What's in it? The Binder contains phone numbers, printed directions and maps to the 3 nearest hospitals.

Who's in it? Important Member Information! Inside the binder, you will find an alphabetized section with an Emergency Contact sheet for each member. Members may list the names and phone numbers of the person(s) that you would like notified in case you have a medical emergency while at the field. Your signature on the form is optional. We encourage members to complete the Emergency Contact form so that, when minutes count, we can notify the person(s) whom you would want to know about your emergency.

We encourage all members to . . .

Look for it!
Know where to find it!
